

MEDICAL DIRECTORS

Opportunities

At Genesis Physician Services, our Medical Directors oversee the medical staff at our owned and managed skilled nursing centers and, when appropriate, assisted living communities. Medical Directors may choose between Independent Contractor and full-time employed relationships. In addition, our Medical Directors enjoy:

- A competitive stipend commensurate with experience
- Generous annual bonus program
- Operations support by Vice President of Medical Affairs and Operations team
- Support in achieving the credential of Certified Medical Director through the American Medical Directors Association
- Access to continual training
- Remote access to patient records, medication management databases and an extensive online library of clinical resources
