Helpful Documentation to Bring:

- Patient Proof of Citizenship or Residency (e.g., U.S. Passport, or Birth Certificate and State Issued Photo ID).
- Non-Citizens must present temporary or permanent resident card with photo.
- Patient Medicare, Medicaid, Manage Care, Social Security, and Insurance cards - including prescription drug cards, if applicable.
- If the Patient has a Representative for Financial Decisions, Supporting documents such as a Power of Attorney for Financial Decisions, Guardian, Surrogate, or other.
- If paying privately, a check or credit card.
- In the event that you have applied for State Medical Assistance (Medicaid), a copy of the application.

Important Tips:

- Bring clothing that can be machine-washed.
- Bring clothing that is easy to pull on or remove, such as pants with elastic waistbands.
- Bring items to make your stay comfortable.
- Very expensive or irreplaceable items such as jewelry or large sums of money are better left at home.
