

Genesis at a Glance

Genesis HealthCare is a holding company with subsidiaries that, on a combined basis, offer services to more than 250 skilled nursing facilities and assisted/senior living communities in 22 states:

Genesis subsidiaries also supply rehabilitation therapy to approximately 1,100 locations in 43 states and the District of Columbia.

Vitality through Skilled Nursing

- Genesis affiliates provide services across more than 30,000 skilled nursing and senior living beds company-wide.
- Genesis affiliates provide high-quality post-acute care, long-term care and assisted/senior living services in the local markets in which they serve.
- Many facilities offer sub-acute specialty services such as Dialysis, Ventilator and Memory Support.
- The majority of patients are admitted directly from the hospital. All facilities follow a universal staff COVID-19 vaccine requirement to protect patients, residents, families and fellow colleagues.

Genesis Rehab Services (GRS)

Full and part-time therapists conduct daily therapy and wellness sessions in approximately 1,100 sites, including all Genesis HealthCare facilities.

- As a full-service contract rehabilitation provider, GRS partners with facilities to manage and provide rehabilitation services in assisted living centers, retirement communities, hospitals, home health companies, adult day care programs and outpatient clinics.
